(##) Revised REA for the period 31.03.2013 to 31.03.2014 has been recently issued by WRPC taking into account the applicable changes between 31.03.2013 to 15.08.2013. Applicable credit based on this works out to be a negligible amount as compared to total COD dues. The same will be passed on shortly. There is no change for the REA for the period starting 01.04.2014.
