Media Release

CBI's Action on Reliance Communications has No Impact on Reliance Power Limited

Mumbai, August 24, 2025:

Reliance Power Limited wish to clarify on the Media Reports that the recent action by Central Bureau of Investigation on Reliance Communications Limited and on Mr. Anil D Ambani has **no impact on the business operations, financial performance, shareholders, employees, or any other stakeholders of Reliance Power.**

Disclosures and records available in public domain indicate that the complaint filed by State Bank of India (SBI) pertains to matters dating back more than 10 years. At the relevant time, Mr. Ambani was an ordinary Non-Executive Director of Reliance Communications, with no involvement in the day-to-day management. Mr. Ambani resigned from the Board of the Reliance Communications six years ago, in 2019.

At present, Reliance Communications is being managed under the supervision of a Committee of Creditors, led by SBI and overseen by a Resolution Professional. The matter remains sub judice, pending before the NCLT and other judicial forums, including the Hon'ble Supreme Court, for the past six years.

Reliance Power is a separate and independent listed entity with no business or financial linkage to Reliance Communications.

Further, Mr. Anil D. Ambani is not on the Board of Reliance Power Limited for more than 3.5 years. Accordingly, any action in relation to Reliance Communications has no bearing or impact on the governance, management, or operations of Reliance Power.

Reliance Power continue to focus on its business plans and remain committed to creating value for all stakeholders.

About Reliance Power

www.reliancepower.co.in

Reliance Power Limited, part of the Reliance Group, is one of India's leading private sector power generation companies. The company has an operating portfolio of 5,305 megawatts, that includes 3960 megawatts Sasan Power Limited (world's largest integrated coal based power plant). For the past seven years, Sasan Power has consistently ranked as the best operating power plant in India.
