The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in Section 133 of the Companies Act, 2013 (hereinafter referred to as the Act), read with Rule 7 of the Companies (Accounts) Rules, 2014 and in accordance with the accounting principles generally accepted in India. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

III. Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a reasonable basis for our audit opinion.

1 General Information

Reliance Prima Limited, wholly owned subsidiary of Reliance Power Limited, was incorporated on September 12, 2008 to carry on the business of exploration and prospecting activities.

2 Significant accounting policies

a) Basis of preparation:

The Financial Statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the relevant provisions of the Companies Act, 2013 (The "Act") and the Accounting Standards notified under the Act. The Financial Statements are prepared on accrual basis under the historical cost convention and are presented in Indian Rupees round off to the nearest rupee.

b) Use of estimates:

The preparation and presentation of Financial Statements requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures of contingent liabilities as on the date of the Financial Statements and reported amount of revenue and expenses during the reporting period. Difference between the actual results and estimates is recognised in the period in which the results are known / materialised.

c) Tangible Assets and Capital Work-in-Progress:

Tangible assets are stated at cost net of recoverable taxes, duties, trade discounts and rebates, less accumulated depreciation and impairment of loss, if any. The cost of Tangible Assets comprises of its purchase price, borrowing costs and adjustment arising for exchange rate variations attributable to the assets, including any cost directly attributable to bringing the assets to their working condition for their intended use. Subsequent expenditure related to an item of Tangible assets are added to its book value only if they increase the future benefits from the existing assets beyond its previously assessed standards of performance.

Expenditure incurred on assets which are not ready for their intended used, comprising direct cost, related incidental expenses and attributable borrowing cost are disclosed as Capital Work in Progress.

d) Intangible assets:

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/depletion and impairment loss, if any. The cost comprises of purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use and adjustment arising from exchange rate variation attributable to the intangible assets.

Expenditure incurred on acquisition of intangible assets which are not ready to use at the reporting date is disclosed under capital work-in-progress.

e) Impairment of assets:

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss.

f) Inventories:

Inventories of tools, stores, spares parts, consumable supplies and fuel are valued at lower of weighted average cost, which includes all non-refundable duties and charges incurred in bringing the goods to their present location and condition, and net realizable value after providing for obsolescence and other losses.

g) Depreciation / Amortization:

(i) Tangible assets:

Tangible assets are depreciated on pro rata basis as per useful life on the Straight Line Method (SLM) as prescribed in part C of Schedule II to the Companies Act, 2013.

(ii) Intangible assets:

Software expenses are amortised on a straight line basis over a period of three years.

h) Investments:

Long term investments are carried at cost. However, provision for diminution is made to recognise a decline, other than temporary, in the value of the investments, such reduction being determined of value of long-term investments and made for each investment individually. Current investments are valued at lower of cost and fair value.

i) Provisions, Contingent Liabilities and Contingent Assets:

Provisions:

Provisions are recognised when there is present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation in respect of which reliable estimate can be made of the amount of the obligation.

Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is termed as contingent liability.

Where there is a possible obligation or a present obligation but the likelihood of outflow of resources is remote, no provision or disclosure is made as specified in Accounting standard 29 – "Provisions, Contingent Liability and Contingent Assets".

Contingent Assets:

A contingent asset is neither recognised nor disclosed in the Financial Statements.

Reliance Prima Limited

Notes to the financial statements as of and for the year ended March 31, 2015 (Continued)

j) Borrowing Costs:

Borrowing costs include cost that are ancillary and requires as per the terms of agreement. Borrowing cost that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the capital work-in-progress account in the period in which they are incurred.

k) Revenue recognition:

Revenue from operations is recognized on accrual basis.

l) Employee benefits:

Employee benefits consist of Provident Fund, Superannuation Fund, Gratuity Scheme and Leave Encashment.

(i) Defined contribution plans:

Contributions to defined contribution schemes such as provident fund and superannuation are charged off to the Statement of Profit and Loss/ Capital Work-In-Progress, as applicable, during the year in which the employee renders the related service.

(ii) Defined Benefit Plans:

The Company also provides employee benefits in the form of gratuity and leave encashment, the liability for which as at the year-end is determined by independent actuaries based on actuarial valuation using the projected unit credit method. Such defined benefits are charged off to the Statement of Profit and Loss / capital work-in-progress, as applicable. Actuarial gain / losses are recognised in the year in which they arise.

(iii) Short term/ long term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service including performance incentives and compensated absences are classified as short term employee benefits. The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are charged off to the Statement of Profit and Loss / capital work-in-progress, as applicable. The employee benefits which are not expected to occur within twelve months are classified as long term benefits and are recognised as liability at the net present value.

m) Accounting for taxes on income:

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. Deferred income tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognised only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognised if there is virtual certainty that sufficient future taxable income will be available to realise the same. Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

Reliance Prima Limited

Notes to the financial statements as of and for the year ended March 31, 2015 (Continued)

n) Cash and cash equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash Equivalents are short-term balances (with an original maturity of three months or less from date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

o) Cash Flow Statement:

Cash Flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

p) Earnings per share:

Basic earnings per share are computed by dividing the net profit or loss by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share are the net profit for the year after deducting preference share dividend and attributable tax for the year. The weighted average number of equity shares outstanding during the year and for all years presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

q) Accounting for oil and gas activity:

The company follows "Successful Efforts Method" for accounting of oil and gas exploration activities as set out by the Guidance Note issued by the Institute of Chartered Accountants of India on oil and natural gas producing activities. The cost of survey and prospecting activities conducted in search of oil and gas are expensed out in the year in which the same are incurred. Oil and Gas Joint Operations are in the nature of Joint controlled Operations. Accordingly assets and liabilities are accounted on the basis of statement of accounts of Joint Operations on line by line basis according to the participating interest of the Company.

The company has only one class of equity shares having par value of Rs. 10 per share. Each holder of the equity shares is entitled to one vote per share. In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts.

b) Preference shares

As on March 31, 2014 - 7.5% non-cumulative non-convertible redeemable preference shares (NCRPS)

The Company has only one class of NCRPS having par value of Re. 1 per share which has been issued at a premium of Rs. 999 per share. These shares have a maturity period of twenty years from the date of allotment. However, the shares can be early redeemed on completion of fifteen years from the date of allotment, at the option of the Company or the shareholder at an issue price of Rs. 1,000 per share.

As on March 31, 2015- 7.5% Compulsory Convertible Redeemable Non-Cumulative Preference Shares (CCRPS)

Pursuant to the special resolutions passed by the Preference Share Holders and the equity share holders on March 31, 2015, the Company has made modifications in the terms and conditions of NCRPS issued which are summarized below. Consequent to the modification/variations, NCRPS are termed now as 7.5% Compulsory Convertible Redeemable Non-Cumulative Preference Shares (CCRPS).

The Company shall have a call option on CCRPS which can be exercised by the Company in one or more tranches and in part or in full before the end of agreed tenure (20 years) of the said shares. In case the call option is exercised, CCRPS shall be redeemed at an issue price (i.e face value and premium). The holders of CCRPS however, shall have an option to convert CCRPS into equity shares at any time during the tenure of such shares. At the end of tenure and to the extent the Company or the shareholder has not exercised their options, CCRPS shall be compulsorily converted into equity shares. On conversion, in either case, each CCRPS shall be converted into one fully paid equity share of Rs. 10 each at a premium of Rs. 990 per share. If during the tenure of CCRPS, the Company declares equity dividend, CCRPS holders shall also be entitled to dividend on their shares at the same rate as the equity dividend and this dividend will be over and above the coupon rate of 7.5%. These preference shares shall continue to be non cumulative.

M/s. Nafto-Gas India Private Limited (NaftoGas), one of the Companies to the Contract and also designated "Operator" on behalf of all constituents. Subsequent to the award of Contract, Government of India (GoI) has found in the year 2012 that NaftoGas has misrepresented their credentials submitted in 2006. Pursuant to discovery of such misrepresentations, the Ministry of Petroleum and Natural Gas (MPoNG) has sent a notice to the Company for termination of the contract in terms of Article 30 of Production Sharing Contract. Further to the said notice, Directorate General of Hydrocarbons (DGH) has sent a notice for discharging the unfulfilled work program. The Company has represented to the DGH and MPoNG that the Company was not aware about the misrepresentation of facts by the Operator, whose credentials to act as Operator were accepted by the Government of India and hence no obligation accrues to the Company in connection with the termination of Contract due to misrepresentation of the Operator. In view of the above, no liability (firm or contingent) have been provided in the books of accounts.
