**1. General Information :**

PT Avaneesh Coal Resources incorporated in Indonesia, was established on 2nd August 2010 through Notarial Deed No. 2 of Public Notary Mala Mukti, SH, LLM. The Company is under development stage. The purpose and objective of the Company is to engage in business management and consulting services.

**2. Significant Accounting Policies :**

**Basis of preparation, measurement and significant accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**a) Basis of Preparation**

**Compliance with Ind AS**

The financial statement of the company have been prepared in accordance with indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevent provisions of the Companies Act, 2013("The Act")

**Historical cost convention**

The financial statements have been prepared under the historical cost convention, as modified by the following :

Certain financial assets and financial liabilities at fair value

**b) Property, Plant and equipment :-**

All other items of property, plant and equipment are stated at historical cost which includes capitalised borrowing cost less depreciation and impairment loss, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the assets carrying amount or recognised as a seperate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of item can be maesured reliably. The carrying amount of any component accounted for as a seperate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Expenditure incurred on assets which are not ready for their intended use comprising direct cost, related incidental expenses and attributable borrowing cost are disclosed under Capital Work in Progress

**Depreciation method :**

Depreciation is provided to the extent of depreciable amount on straight Line Method(SLM) based on useful life.

**c) Investments and other financial assets**

**Classification**

The Company classifies its financial assets in the following measurement category :

- those to be measured subsequently at fair value through profit or loss
- those measured at amortised cost

**Contributed equity :**

Equity shares are calssified as equity, incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, netof tax, from the proceeds.

**d) Provisions and Contingent Liabilities/Assets**

**Provisions:**

Provisions are recognised when there is present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of reporting period. The discount rate used to determine the present value is pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as intererst expenses.

**Contingent liabilities**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurence or non occurence of one or more uncertain future events not wholly with in the control of the Company. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is termed as contingent liability

**Contingent Assets**

A contingent asset is disclosed, where an inflow of economic benefits is probable.

**e) Foreign Currency Translation :**

- i) Foreign currency transactions are transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions

**PT Avaneesh Coal Resources**

**Notes to the financial statements for the year ended March 31, 2019**

- ii) All exchange differences arising on reporting on foreign currency monetary items at rates different from those at which they were initially recorded are recognised in the statement of Profit and Loss.
- iii) Non-monetary items denominated in foreign currency are stated at the rates prevailing on the date of the transactions/ exchange rate at which transaction is actually effected.

Foreign currency transactions are accounted at the exchange rates prevailing on the date of the transactions. Exchange differences arising on reporting of short term foreign currency monetary items at rates different from those at which they were initially recorded are recorded in the Statement of Profit and Loss account.

**f) Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable.

**g) Cash and Cash equivalents :**

Cash and cash equivalents includes cash on hand, demand deposits with banks, short-term balances (with an original maturity of three months or less from date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of change in value.
