**Reliance Power has already sent dispute resolution notice
on March 13th, 2012 to all procurers as per PPA**

MUMBAI, March 21, 2012: On a petition by Reliance Power Ltd. (RPL), the Hon'ble Delhi High Court has passed an order on 20th March 2012, directing that no coercive steps shall be taken for the time being against RPL, by or on behalf of any of the States procuring power from the proposed Krishnapatnam UMPP.

Referring to articles appearing in a section of media, Reliance Power said that the change in regulations in Indonesia has impacted all imported coal based projects in India, with nearly 15,000 MW capacity involving an investment of nearly Rs. 75,000 crores. The issue has also been raised by the Association of Power Producers with the Hon'ble Prime Minister and Central Government.

Owing to Force Majeure condition arising from the above and certain other issues, Reliance Power has already sent a dispute resolution notice on March 13th, 2012 to all procurers, for an amicable resolution of the matters as per the terms of the Power Purchase Agreement (PPA) between the parties.
