Key updates on the power projects being developed by Reliance Power

- **600 MW Rosa I (Uttar Pradesh):** Commissioning activities are in advanced stage and Synchronization of the first unit is targeted soon. The unit is likely to commence commercial operations well ahead of its March 2010 schedule.
- **600 MW Rosa II (Uttar Pradesh):** Construction work has commenced for the 600 MW expansion at Rosa.
- **600 MW Butibori (Maharashtra):** Construction activities for the 600 MW project are progressing as per schedule.
- **4000 MW Sasan (Madhya Pradesh):** Main Plant construction activities are progressing in full swing. Significant progress has also been made on coal mine development. The commissioning of the project is likely to be ahead of schedule.
- **4000 MW Chitrangi Power Project (Madhya Pradesh):** Project development activities have been put on fast track. Significant progress has been achieved with regard to obtaining Land, Water and Environmental clearances for the project.
- **Gas Projects:** International Competitive Bidding (ICB) for Engineering, Procurement and Construction of 8,000 MW of Gas Power Projects has received very good response.

About Reliance Power Limited

Reliance Power Limited, a part of Reliance - Anil Dhirubhai Ambani Group, is India's leading private sector power generation Company. Reliance Power is implementing power projects with aggregate capacity of over 33,000 MW, by far the largest development pipeline in the country.
