Dear Sir,

**Re.: Clarification regarding media reports on Coal Production at Sasan Coal Mines attached to Sasan Power Limited-Wholly owned subsidiary**

We refer to reports in certain sections of the media regarding alleged stoppage of coal production from the Moher and Moher-Amlohri coal blocks attached to the 4,000 MW Sasan Ultra Mega Power Plant which is being developed by Sasan Power Limited, a wholly owned subsidiary of ours.

We would clarify that there has been no stoppage of work at these coal mines. The Coal Production from Moher and Moher-Amlori Extension mines of Sasan UMPP is progressing well as per plans to meet the proposed start of operations of the Power Plant in December this year.

We would request you to inform your members accordingly.

Thanking you,

Yours faithfully  
For **Reliance Power Limited**
