5. In case of Vidarbha Industries Power Limited (VIPL), Appellate Tribunal for Electricity (APTEL) in its order dated November 03, 2016, directed Maharashtra Electricity Regulatory Commission (MERC) to rework the fuel costs allowed to be recovered by VIPL, as part of its tariff. On January 03, 2017, MERC has filed an appeal against the APTEL order in Hon'ble Supreme Court. Pending disposal of the appeal, VIPL has billed the tariff as per the terms of Power Purchase Agreement / advice received with no impact of the disallowance vide MERC order dated June 20, 2016 of Rs. 43,470 lakhs for the FY 2014-15, Rs. 30,491 lakhs for the FY 2015-16 and estimated disallowance of Rs 18,835 lakhs for the FY 2016-17, Rs. 23,914 lakhs for the FY 2017-18 and Rs. 2,936 lakhs for the quarter ended June 30, 2018.

6. In case of Rosa Power Supply Company Limited (RPSCL), on the true up/tariff petition filed by the RPSCL, Uttar Pradesh Electricity Regulatory Commission (UPERC) issued tariff order dated August 22, 2017, which allowed the true up/ other components of tariff petitions on the basis of Multi Year Tariff (MYT) regulations, ignoring the provision of Power Purchase Agreement (PPA). RPSCL has filed a review petition in respect of which UPERC issued order on April 25, 2018, correcting interest on working capital for the MYT period. RPSCL has also filed an Appeal in APTEL on October 3, 2017. Pending receipt of the outcome of the Appeal, no adjustments have been made.
7. Reliance Bangladesh LNG Terminal Limited (RBLTL) and Reliance Bangladesh LNG & Power Limited (RBLPL), the wholly owned subsidiaries of the Parent Company continued to make progress on the Bangladesh LNG Terminal and Power Projects based on supply of one module of 754 MW by Samalkot Power Limited (SMPL). The Companies initialed the Terminal Use Agreement with PetroBangla for setting up of 500 mmscfd FSRU based LNG terminal at Kutubdia Island. RBLTL & RBLPL have finalised the EPC contractor for both Power Project and LNG Terminal and have received approval for financing of the integrated project from Asian Development Bank (ADB). For balance two modules (1,508 MW), Samalkot Power Limited (SMPL) is actively pursuing allocation of gas linkage at commercially viable prices/ generation opportunities and is also evaluating alternative arrangements / various approaches to deal with the situation arising from the continued uncertainty as to the availability of natural gas supply. Considering these plans, including relocation of unused assets acquired for SMPL to Bangladesh project and support from the Parent Company, SMPL would be able to meet its financial obligation and has prepared its financial statements on a going concern basis. The matter has been referred to by the auditors in their review report as an emphasis of matter.
8. On termination of PPA with Procurers of Jharkhand Integrated Power Limited (JIPL) on May 16, 2018, the Parent Company has transferred its entire holding of 1,49,900 Equity Shares of Rs.10 each, held in JIPL, a Special Purpose Vehicle (SPV) created for the development of Tilaiya UMPP, to Jharkhand Urja Vikas Nigam Limited, the Lead Procurer, acting on behalf of the Procurers of Tilaiya UMPP, pursuant to which the Parent Company has received Rs. 11,264 lakhs.
9. Ind AS Transition Facilitation Group (ITFG) of Ind AS implementation Committee of the Institute of the Chartered Accountants of India (the ICAI) has issued clarification on July 31, 2017 and has *interalia* made observations regarding method of estimating depreciation adopted for preparing standalone financial statements of the subsidiaries and for preparing consolidated financial statements. The Parent Company has received opinions from reputed legal and accounting firms stating that clarification issued by ITFG will not be applicable to the Parent Company, as the Parent Company has been following different methods in subsidiaries and in Consolidated Financial Statements since inception, including under Ind AS regime. The Parent Company has accordingly continued to provide depreciation in its Consolidated Financial Statements by the straight line method, which is different as compared to the written down value method considered appropriate by certain subsidiaries. The matter has been referred to by the auditors in their review report as an emphasis of matter.

10. The figures for the previous periods/ year are re-classified/ re-grouped, wherever necessary.

Limited Review Report on Unaudited Quarterly Consolidated Financial Results of Reliance Power Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To Board of Directors of Reliance Power Limited

1. We have reviewed the accompanying statement of Unaudited Consolidated Financial Results ('the Statement') of Reliance Power Limited ('the Company') and its subsidiaries (the Company and its subsidiaries together referred to as the 'Group') and its associates for the quarter ended June 30, 2018 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with relevant circulars issued by SEBI. Attention is drawn to the fact that the figures for the three months ended 31 March 2018 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
2. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on July 21, 2018. Our responsibility is to issue a report on this Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' specified under Section 143 (10) of the Companies Act, 2013 (the 'Act'). This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. The Statement includes the results of following subsidiaries – Sasan Power Limited, Rosa Power Supply Company Limited, Vidarbha Industries Power Limited, Dhursar Solar Power Private Limited, Samalkot Power Limited, Rajasthan Sun Technique Energy Private Limited, Reliance Natural Resources (Singapore) Pte Limited, Jharkhand Integrated Power Limited (up to May 16, 2018), Coastal Andhra Power Limited, Maharashtra Energy Generation Limited, Chitrangi Power Private Limited, Siyom Hydro Power Private Limited, Tato Hydro Power Private Limited, Kalai Power Private Limited, Urthing Sobla Hydro Power Private Limited, Amulin Hydro Power Private Limited, Emini Hydro Power Private Limited, Mihundon Hydro Power Private Limited, Reliance Coal Resources Private Limited, Reliance CleanGen Limited, Coastal Andhra Power Infrastructure Limited, Reliance Prima Limited, Atos Trading Private Limited, Atos Mercantile Private Limited, Reliance Natural Resources Limited, Purthi Hydro Power Private Limited, Teling Hydro Power Private Limited, Shangling Hydro Power Private Limited, Lara Sumta Hydro Power Private Limited, Sumte Kothang Hydro Power Private Limited, Reliance Geothermal Power Private Limited, Reliance Green Power Private Limited, Moher Power Limited, Reliance Solar Resources Power Private Limited, Reliance Wind Power Private Limited, Reliance Power Netherlands BV, PT Heramba Coal Resources, PT Avaneesh Coal Resources, PT Brayan Bintang Tiga Energi, PT Sriwijaya Bintang Tiga Energi, PT Sumukha Coal Services, Reliance Power Holding (FZC), Reliance Bangladesh LNG and Power Limited and Reliance Bangladesh LNG Terminal Limited.

6/14

5. The Statement includes the results of the following associates – RPL Sun Power Private Limited, RPL Photon Private Limited and RPL Sun Technique Private Limited.
6. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards i.e., Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Act read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with relevant circulars issued by SEBI, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

7. Attention is invited to Note 7 of the Statement with respect to the wholly owned subsidiary, Samalkot Power Limited (SMPL). SMPL is confident of arriving at a positive resolution to the situation arising from the unavailability of natural gas in the country, and concluding sale of its 745 MW plant. Having regard to the foregoing and the continued financial support from the Company, the management believes that SMPL would be able to meet its financial obligations in the foreseeable future. Accordingly, the financial results of SMPL have been prepared on a going concern basis.
8. We refer to Note 9 of the Statement regarding the method of depreciation adopted by the Group for the purpose of consolidated financial results being different from the depreciation method adopted by the subsidiaries for reasons stated therein.

Our conclusion is not modified in respect of the above matters.

Other Matter

9. We did not review the financial results of two subsidiaries considered in the preparation of the Statement, whose financial results reflect total revenues of Rs. 108,052 Lakhs and net profit of Rs. 21,505 Lakhs for the quarter ended June 30, 2018 in these financial results. These financial results have been reviewed by Pathak H.D. & Associates, Chartered Accountants, one of the joint auditors, of the Company and reliance has been placed by the other joint auditor for the purpose of this report. The above total revenues and net results are before giving effect to any consolidation adjustments.
10. We did not review the financial results of 40 subsidiaries considered in the preparation of the Statement whose financial results reflect total revenues of Rs.7,513 Lakhs and net loss of Rs. 15,027 Lakhs for the quarter ended June 30, 2018. We also did not review the financial results of 3 associates considered in the Statement, whose financial results reflect Group's share of net loss of Rs Nil for the quarter ended June 30, 2018. These financial results have been reviewed by other auditors whose reports have been furnished to us by the Management and our report on the Statement in so far as it relates to amounts included in respect of these subsidiaries and associates is based solely on the reports of such other auditors. The above total revenues and net results are before giving effect to any consolidation adjustments.

Certain of these subsidiaries are located outside India whose financial results have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been reviewed by other auditors under generally accepted auditing standards applicable in their respective countries. The Company's management has converted the financial results of such subsidiaries located outside India from accounting principles generally accepted in

12

7/19

their respective countries to accounting principles generally accepted in India. The conversion adjustments are made by the Company's management. Our conclusion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the reports of other auditors and conversion adjustments prepared by the management of the Company and reviewed by other chartered accountants whose reports have been furnished to us on which we have placed reliance.

11. We did not review the financial results of one subsidiary considered in the preparation of the Statement, whose financial results reflect total revenues of Rs. 165 Lakhs and net profit of Rs. 957 Lakhs for the quarter ended June 30, 2018. These financial results as approved by the Board of Directors of the subsidiary have been furnished to us by the management, and our report on the Statement in so far as it relates to the amounts included in respect of the subsidiary is based solely on such board approved financial results. The above total revenues and net results are before giving effect to any consolidation adjustments.
12. The comparative unaudited consolidated financial results of the Company for the quarter ended June 30, 2017 included in this Statement had been jointly reviewed by Price Waterhouse, Chartered Accountants and Pathak H.D. & Associates, Chartered Accountants, whose reports dated July 31, 2017 expressed an unmodified conclusion on those unaudited consolidated financial results for the quarter ended June 30, 2017.

Attention is drawn to the fact that the figures for the three months ended 31 March 2018 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
2. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on July 21, 2018. Our responsibility is to issue a report on this Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' specified under Section 143 (10) of the Companies Act, 2013 (the 'Act'). This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards, i.e. Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Act read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with relevant circulars issued by SEBI, including the manner in which it is to be disclosed, or that it contains any material misstatement.
